CLINICAL CONGRESS

Saturday, November 23, 2019
Live Virtual Conference

Broadcast Starts at 8:00 AM CT

Rural Health Clinical Congress (RHCC) 2019 is a free, fully-online, multi-topic CME/CE event, designed with the unique needs of you, your patients, and your practice in mind.

Barbara Yawn, MD
RHCC 2019 Chair

"It is with great pleasure that I invite you to the inaugural Rural Health Clinical Congress. As an experienced rural family medicine physician, I understand that patients from underserved communities face unique barriers when it comes to healthcare."

RHCC 2019 is designed to address these challenges and increase awareness about available solutions and resources. This high-quality continuing education event will provide you with practical information that is relevant to your practice."
