The Power and Joy of Rural

Thursday, November 19, 2020

11:00 AM - 12:00 PM ET

As part of National Rural Health Day, this virtual event will “Celebrate the Power and Joy of Rural,” by honoring the selfless, community-minded, “can do” spirit that prevails in rural America. This event will spotlight the responsiveness and resiliency of our rural communities, and highlight the joy and benefits of choosing to live in a rural community.

Tune in to hear from Matthew Hoagland, author of “Think Small: A Millennial’s Guide to Building a Meaningful Life in Rural America,” as well as Sophia Paulos, Economic Development Director of Graham County, who will share details about the Graham County paramedicine program.
